Symbiote Inc. Earns Silver Nightingale Award for Furniture Collections at the 2025 Healthcare Design Conference + Expo

Grand Rapids, MI, October 30, 2025 - [Symbiote Inc.](#), a family-owned and female-led manufacturer of adaptable workspace and laboratory furniture, is proud to announce that it has been awarded the Silver Nightingale Award in the Furniture Collections category at the 2025 Healthcare Design Conference + Expo in Kansas City, Missouri.

The Nightingale Awards, presented annually by *Healthcare Design Conference* magazines, celebrate excellence and innovation in healthcare product design. This prestigious recognition honors products that contribute to healing environments through innovation, functionality, aesthetics, and sustainability.

Symbiote earned the Silver Award for its [Tetrad Table Collection](#), a thoughtfully designed, flexible solution for healthcare and education environments. The Tetrad Table supports collaboration, mobility, and technology integration while maintaining the cleanability and durability required in high-performance spaces. Its impressive 880lb capacity makes it a plus for any work environment.

“We are deeply honored to receive this recognition for the Tetrad Table,” said Kerri Milarch, CEO of Symbiote Inc. “As a family-owned company, we take pride in designing products that balance beauty, functionality, and purpose. This award reflects our team’s passion for creating meaningful, human-centered environments.”

Founded in 1982, Symbiote Inc. has built its reputation as a leader in designing and manufacturing modular, ergonomic, and high-quality furniture solutions for laboratories, healthcare, and technology-driven workplaces. Under the leadership of CEO Kerri Milarch, Symbiote continues to champion design innovation, sustainability, and American manufacturing.
